Benefits of Using Job Portals for Job Seekers

The screenshot shows a Google Slides presentation titled "Introduction to Job Portals" by Skill Academy. The slide is titled "Benefits of Using Job Portals for Job Seekers" and lists three main points:

- **Getting Job Alerts**
- **Classified:** Once you register in a job portal, all your achievements, skills, and individual details will be reserved privately. This will be kept secure unless you let them split your details to your future employers.
- **Resourceful:** With these portals, you can be relevant for a job effortlessly. Instead of going to your intention firm, you can submit your resume online. After submitting, you can relax, and wait for your future employers to take action.

An image of a person using a laptop with a "Job Search" window is shown on the right side of the slide. A video feed of a woman in a yellow shirt is visible in the bottom right corner.
